# Riding my bike

Look at me go  
I'm riding a bicycle  
It's so much more fun  
Than that small little tricycle  
I go up the driveway  
And then I turn back  
It isn't so hard  
I think I've got the knack  
The feel of the wind  
On my face a quite like  
Nothing compares to it  
-Rinding my bike
